Long ō spelling Pig Game

Setting up this resource

I suggest, where possible, you print the cards on cardboard. Once printed, cut out the cards and shuffle the pig cards throughout the word cards. Photocopy/print as many spelling sheets as you require.

How to play

The deck of shuffled word and pig cards are placed word side down in the middle of the players.

Each player takes a turn selecting the top card. They read the word on the card to the other players. If the word is read correctly, they get to keep the card.

If a player picks up a 'pig card' they have to give all their cards to the other player. That player will select one of the words previously read and ask the player who picked up the 'pig card' to spell the word on the spelling sheet.

Play continues until there are no cards remaining in the centre. The player with the most cards at the end is the winner.
